### BORGWARD - GOLIATH - HANSA - LLOYD MEETING

From 6 to 8 June – 2025

at Maaseik (Limburg)

Dear Borgward friends,

The Borgward Club Belgium was founded back in 1985, so in 2025 we will celebrate the 40th anniversary of our club ! Therefore, we want to make this meeting a festive edition.

We would like to invite you, your friends and family during the Whitsun weekend in hotel Wurfeld, in the quiet village of Maaseik.

All admirers of Borgwards, Goliaths, Hansas and Lloyds are welcome.

During this meeting we plan a tour of the region's sights such as the old mining sites and the garden district. We will end the day with a guided visit to the town of Maaseik. With its listed facades in Maasland architectural style, its museums and the oldest private pharmacy in Belgium, Maaseik is also the birthplace of the Van Eyck brothers. It is a cultural gem with one of the most beautiful market squares in Belgium.

In addition to Maaseik, we take the opportunity to visit the mining museum of Waterschei. In Waterschei, the past and the future reach out to each other. because this former coal mine was transformed into a business park that aims to shape the energy of the future. The ex-miners remained there and happily and passionately tell their stories about working and living in and around the coal mine.
