2. Air-conditioning switch "Isabella"

**Ers.**  
**225**

Bremen, Germany, November 1st, 1957

To our  
Authorized Borgward Dealers and Workshops

Gentlemen:

1. Headlamps "Isabella"

Headlamps with asymmetrical dimming light are installed into vehicles from serial numbers

346 521 Isabella Coupé  
1 118 551 Isabella de Luxe  
295 510 Hansa 2400 P

These headlamps can also be fitted to vehicles up to above mentioned serial numbers.

The following parts are required:

Part No.	Description	No. per vehicle
055 510 59 99	Headlamp insert with glass . . . . .	2
055 653 33 00	Key plug . . . . .	2
	Bulb A 6/12 V 45/40 Watt . . . . .	2
	Bulb H 6/12 V 2/4 Watt DIN 72601 . . . . .	2

2. Air-conditioning switch "Isabella"

On account of repeated enquiries we beg to inform you that the control knobs for the new air-conditioning switch on the instrument panel cannot be supplied separately. The knobs are pressed onto the lever and cannot be exchanged.

For replacements we supply lever 055 516 59 00 complete with control knob only.

Yours very truly,

**CARL F. W. BORGWARD G. M. B. H.**
